MODULES DEVELOPMENT

EU INSTITUTIONS

Embark on an immersive journey delving into the narrative of EU institutions. Uncover the enigmatic origins of the European Union, its diverse member states, core values, and primary objectives. Explore crucial themes such as gender equality, environmental sustainability, and inclusivity. This module also subsequent chapter elucidates the foundational principles and essence of the EU citizenship.

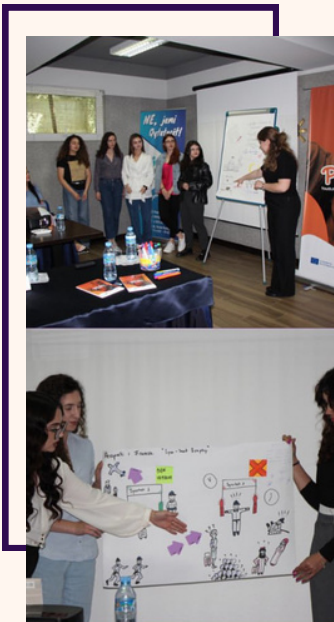

MIGRATION IN EU

The intricate realm of migration within the European Union entails an exploration of EU laws, institutions, and operational frameworks. Let's unveil intriguing facts and notable trends in EU migration, while also highlight the distinctive obstacles encountered by migrant women, LGBTQ+ individuals, youth, and individuals contending with health-related obstacles.

GENDER EQUALITY IN EU

Get started on an engaging exploration of the intricate realm of gender and conventional male/female categorizations to advocate for parity. Delve into the European Union's youth strategy, encompassing a diverse array of perspectives. To enrich this journey further, discover compelling insights on gender equality.

CLIMATE CHANGE IN EU

Chapter One elucidates the complexities of climate change and global warming, exploring the fundamental causes while dispelling misconceptions. The subsequent chapter highlights the European Union's strategic initiatives to combat climate change, unveiling its inception and highlighting pivotal endeavors such as Fit for 55, Climate-Neutral EU by 2050, participation in COP, and the European State of the Climate report.

EVALUATION GRID

During a lively webinar on May 24th, organizations and youth groups gathered to hash out the details of an evaluation grid. This tool will be central in meetings with candidates, analysing their policies and programs, and expressing the concerns and propositions of young people. Scheduled to be all polished up and ready to go by September, this grid is set to be the principle tool at all the future meetings with MEPs, experts, associations...!

WORKSHOPS

The main idea was to complete all the modules workshops before the elections in order to make sure that the youth vote was informed as much as possible.

Four mind-blowing workshops were scheduled for **April and May** diving into Europe, migration, climate change and gender equality. Additionally, a workshop on public speaking will complement these sessions.

Projets-19 and Espace-19

French youth also had the opportunity to interact with three candidates and three experts across various subjects, all of whom are deeply committed to the objectives of PIVOT.

On **April 13th**, the team created by People in Focus engaged in EU-themed workshops as part of the PIVOT project. Subsequently, on **April 26th**, the Climate Change workshop took center stage. To continue the momentum, the Gender Equality module workshops took place at the esteemed **Hotel Sokrat's** meeting room on **April 27th**.

Annette Cabelli Space

17th and 24th of April, 8th, 22nd and 29th of May

It was time to clear up the confusion around various institutions, as folks were more lost than it was expected. The workshops turned into lively discussions and brainstorms, building up new ideas. There was also a catch up session to clear the ideas from the first modules.

University of Palermo and Liceo Alessandro Volta of Caltanissetta

17th, 18th, 23rd, 29th of April

In April, a series of dynamic workshops made a significant impact. Covering a range of topics such as EU institutions, migration, climate change, and gender equality, attendees in Palermo and Caltanissetta were treated to a diverse array of discussions. With varying subject matters and attendee volumes, it was a workshop series that offered a wealth of knowledge and engagement.
